

### **Accessibility for wheelchair users**

**Walkway to the entrance:** pavement for pedestrian with a ramp on the side of the steps covered with small paved stones.

**Ramp:** three sections with slopes of 7.3/ 7.5/ and 8.36 %.

**Entrance door:** automatic door-opener and free space in front of, behind and inside the entrance door. Passage width of the door minimum of 84 m.

**Reception desk:** divided into two sections, the higher level at 110 cm and the lower level at 85 cm. A cloakroom next to the reception with hooks for coats at the height of 170 cm.

**Interior:** lift to the 1st, 2nd och 2.5 floors. The large hall on the entrance floor with 10 wheelchair seats for pre-bookings, situated behind the upper row (row 14). The auditorium on the 2nd floor has seats for wheelchairs in front of all seating rows and at the same level as the stage.

**Meeting rooms:** furnished according to requests.

### **Accessible for visually impaired**

**Walkway to the entrance:** walkway is also a cycling path. Steps with a handrail and a ramp to the entrance.

**Entrance door:** automatic door-opener with a light contrast.

**Reception desk:** visible from the entrance on one level.

**Interior:** large panorama windows with plenty of lights, steps and a lift between the different floors. No level differences to the large hall on the 2<sup>nd</sup> floor or to the auditorium on the 2.5 floor. The seats in the large hall don't have level differences up to the 5<sup>th</sup> row, but there are stairs alongside the seat rows.

**Inner stairs:** handrails on both sides.

### **Accessibility for hearing impaired**

Hearing loop available in the large main hall.

### **Disabled parking**

Disabled parking space in the underground garage Miramar Garage next to Alandica, and outdoors next to the entrance.

There is a lift and stairs from the garage up to the scene entrance and from there to the main entrance. Outside, next to Alandica, there are two signposted parking spaces for disabled within max. 25 metres from the entrance.
